“He was my best friend” - Desmond

Alfonso Deleone “Lonnie” Quintana left us to begin his new adventure on June 10, 2020. Born in Salt Lake City, UT November 11, 1974 weighing only 4lb 3oz. He is survived by his parents (Bernice Miera & Alfonso Quintana), precious and only son, Desmond Quintana, three sisters Angelic Quintana, Maria Folsom (Jeff) and April Valle (Adam) along with his nieces (Victoria, Kailee, Lucy) and nephew (Deondre) and partner Melodie Erickson.

He will be remembered for his incredible sense of humor and sarcastic streak. His ability to utilize sarcasm had his jokes sneaking up on you resulting in explosions of laughter. Deleone was the entrepreneurial spirit incarnate. His Real Estate Agent and Broker professions began at the age of 18. Also included were Concert Promoter, Bar Owner & Investor. He was a dedicated employee at Delta Airlines for over 13 years. Deleone valued education and went on to complete his Bachelor’s of Science Business at Westminster College and was in the process of completing his MBA.

The crowning achievement for Deleone was always the gift of fatherhood that the arrival of his son gave him. Married to Paige Williamson (Jake) in 2005, Desmond completed their family in 2010. Deleone’s primary life goal was to always be the best father to his son.

Deleone had an adventurous spirit and a never ending quest to see the world. It included visiting all 7 wonders of the world and 27 countries He traveled with his Mother and more frequently his eldest cousin, Anthony Davidson (Mindy). From Havana to Machu Picchu, Deleone and Anthony could be counted on for sharing their mischievous antics with family and friends. Deleone’s laughter at the retelling of these stories over a hot BBQ grill will be deeply missed.

His loss will always be felt at the end of a joke, the absence of his advice, and in the lingering smoke of a perfectly seared steak.

“ Just found out about this and I'm still in disbelief. So sad to see such a bright light leave this planet right now! It has been a while since I have seen him, but all of my memories of him are wonderful ones. He had such a way of making you feel like you could do anything. I always remember how he would say the kindest things to me and truly make me feel like I was capable of doing anything I wanted. This you don't find in a lot of people. He will truly be missed. My love & prayers to the family!

“ Some of my fondest memories of Lonny were with Fonso, Grace, Angel, and Connie. We went to the “Wrestles” we got to high five Hulk Hogan and Andre the Giant. We got to spend part of the summer going to Lagoon, and go on the roller coasters. He was a kind soul and will be missed. My deepest condolences to his family and friends.

“ I want to tell all of your family how sad I am that you are gone so soon. You are a confident, funny, mysterious, and jovial guy. I used to have fun bantering back and forth with you. I haven't seen you since you were a teenager, but have loved your mom's posts about all of you kids, OK, adults.
Bernice and family. I hope you can find some peace during this most difficult time. I know he will be with you on many occasions.
My love to you all!

“ My deepest condolences. I too have lost a son and I know the pain you are feeling. It is almost not endurable. While memories of his smile, laughter and shared good times will lessen your pain, there will always be a whole in your soul. May God bless and keep you.

“ I'm truly going to miss my cousin, best friend and brother. He and I had the best of times together always. We traveled the world together, Machupichu, Peru, Panama, Vietnam, had a wonderful time as well in Seoul Korea and lastly Havana Cuba. We truly always enjoyed each other's company and we were both fortunate to have shared so many wonderful memories together. Desmond your dad was so very proud of you, he loved his " Little guy, Monkey " Mel thanks for accommodating me when I'd drop in on you and Deleone at random. Great times.
