“ Jay was a good nephew who always showed respect to his aunts & uncles. He would do anything for you. Many memories and good hunting trips. I can remember the excitement he had in his voice when he called to tell us about the birth of his son John and his twin daughters Gabrielle & Sarah. He was a proud father and always sent us pictures of them. Going to miss his calls. Our love and prayers to Tillie and all his family.

Our deepest Sympathy

“ Jay was always there for me through my recovery, relapse, divorce, sobriety and marriage. He was a constant support, calling several times a week to check in. I've never had another friend like that. He always asked after my family and loved talking about his son and twins, he was proud of them. God bless those who survive him. I know he rests in the peace of a loving God
