“ Barb and Family: I so sorry to hear of your brother's passing. I will keep you in my prayers. Coming from a large extended family myself I know the power of gathering gather when one is gone from our mist.

“ Dear Betty and family,\r\n\r\nI'm very sorry I missed the funeral. I babysit my grandchildren on Fridays, and I didn't realize the funeral was set for Friday, so I couldn't make alternate arrangements for them and for mom. My prayers and thoughts are with you all, especially with Tavis. And, I offer my sincerest condolences on mom's behalf, as well as mine. God bless you all. I will see Betty tomorrow. All my love

“ Tavis, I am so sorry for your loss. Sorry I didn't hear about the memorial service until after it was over. Derek is still on his mission for just 2 more weeks. Hope he still has a way to contact you. You will be in my prayers and have my heartfelt sympathy
