“ We miss and love you grandpa, like I told you, you were a great man and husband to grandma, the world needs more role models like you. I'm grateful to have gotten the chance to know you. You were an outgoing person and always having a good time. My boys and I are going to miss you dearly. Rest easy up there, you will not be forgotten down here.

“ Aunt Mary, Jerry, Victoria and Raymond. I am so very sorry to hear about Uncle Raymond. Uncle Raymond always made us laugh. I have several special memories that I could write about that might put a smile on your face in your time of sorrow. Here is one. My Mother (Connie Gonzales) was in the hospital waiting for her heart transplant. Uncle Raymond and Aunt Mary came to see my Mama. When Uncle Raymond walked in he looked at my Mother and said "well you look good", he then sat down and pulled a pork chop out of his front pocket of his overalls and proceeded to eat the pork chop. At first we all just looked at him and then all of us laughed so hard. He then said that my Father (Fred) had made them breakfast and he couldn't leave that pork chop behind. God love Uncle Raymond, he will never know how good he made my Mother feel. Uncle Raymond always had a smile on his face and knew how to make everyone laugh. He will be missed by my family and all that he encountered. God has a special place reserved for Uncle Raymond, until we meet up again I pray that he blesses you Aunt Mary gives you strength in your darkest days. Love and respect,
Anna Maria Gonzales
